PRÓLOGO

En toda etapa de nuestra existencia experimentamos la necesidad de traspasar los límites reales de nuestra vida cotidiana refugiándonos, por algunos instantes, en el mundo de la fantasía, Es así que nos hemos identificado en muchos aspectos con los personajes que por una u otra causa fueron de nuestra predilección o desagrado, siendo suficiente que recordemos lo mucho que significó para nosotros las diversas secuencias de un drama y su desenlace, (que pudimos cambiar a voluntad si no fué de nuestro agrado) o la feliz situación reidera que nos ayudó a dar dimensión adecuada a algun motivo de preocupación haciéndonos entrever la fugacidad del mismo; o bien las aventuras vividas a través del desarrollo de una competencia que nos tuvo pendientes respecto de quien lograba imponer su pericia y su técnica.

Si percibimos íntimamente lo mucho que en cada uno de nosotros está adentrado ese mundo, y si damos un lugar destacado en nuestra sociedad a las personas que nos proporcionan esa dosis de ficción tan necesaria, ¿Por qué no hemos de desear tener algo de ellas, de igual forma que deseamos perpetuar las imágenes de nuestros seres más queridos y de nuestras situaciones primordiales?

https://argentoteca.blogspot.com

Si tal es la necesidad que experimentamos, no veremos en esta colección algo frío e inerte, pues está llena de toda la vida que le proporcionaron todos los artistas y ases del deporte cuyas fotos coleccionamos y nosotros mismos al recrear los momentos que en nuestra existencia configuran buenos recuerdos, deleite espiritual y esparcimiento.

En la creencia de que esa necesidad existe, hemos querido confeccionar el presente álbum con una presentación tal que nos permita conservarlo y repasarlo cada vez que sintamos un llamado de nuestro mundo interior.
